1. Yay!

Please enjoy my first chapter because it will unlock many more.

It was Marinette and Adrien's one year anniversary and everyone at school was celebrating. Well,everyone except Chloe and Sabrina.

Nino:It's party time!

He was the DJ of the party and everyone was dancing.

Alya:Let me get a photo of the couple.

She took a picture of them.

Marinette:Alya.

Alya:Okay okay.

Nino:This one goes out to the most awesome couple ever. Hope you guys like it..

Nino:It's time Adrien.

Everyone was confused. He grabbed his guitar and sat on a stool.

Adrien:I wrote this song for Marinette. It sounds kind of dorky,but I hope you like it. It's called It's always you.

Nick Merico wrote this song. I'm just making it a tad bit shorter.

It's always you

Some people say that the moment is gone

And then they tell you that it's time to move on

But don't you listen to a word that they say

Cause we got magic that just won't go away

And we may be a hundred worlds apart

But that won't keep me from your heart

You can't right the rain when it's already falling

You can't fight the truth from yourself when you're all in

No one can erase this I'll always be drawing

You closer and closer wherever I do

It's always you,oh (x2)

Some people run from what they don't understand

But we're just keeping up the best that we can

I know you need to go

Iwish you could stay

Cause we got magic that just won't go away

And we may be a hundred worlds apart

But that won't keep me from your heart

You can't fight the rain when it's already falling

You can't fight the truth from yourself when you're all in

No one can erase this I'll always be drawing

You closer and closer whatever I do

It's always you

Oh,oh,oh its always you(x4)

You can't fight the rain when it's already falling

You can't fight the truth from yourself when you're all in

No one can erase this I'll always be drawing

You closer and closer whatever I do

You can't fight the rain when it's already falling

You can't fight the truth from yourself when you're all in

No one can erase this I'll always be drawing

You closer and closer whatever I do

It's always you, oh(x2)

Everyone was clapping and cheering for Adrien.

Marinette:That was so sweet.

Adrien:But not as sweet as you.

They kissed in front of everyone and they all started cheering. The day was over and everyone went home. Adrien went over to Marinette's house to celebrate their one year anniversary. They would meet up with Nino and Alya later for some ice cream.

Marinette's Room

Tikki:I can't believe it's been a whole year.

Plagg:Surprisingly neither can I.

Tikki:Plagg and I got you guys a very special present. I think Adrien would be happier.

Adrien:What is it?

Tikki:You say it Plagg.

Plagg:Tikki and I have been looking through books for what felt like forever and we found a way to bring your mom back.

Adrien just sat there. Not knowing what to say.

Adrien:Oh my God. I'm gonna get my mom back!

Marinette:I'm so happy for you.

Tikki:It's a very dangerous procedure and it must be done without mistakes.

Adrien:When do we start?

Tikki:Now. We have to do this before sundown today. Or she'll be trapped in there forever.

2. It's go time

My second chapter. Yay! Sorry for taking so long to update. Had some important school related things to do.

Adrien:What do you mean trapped forever?

Tikki:It's been three years since she disappeared right?

Adrien:Yeah.

Tikki:Today marks the third year since she disappeared into the vortex. So we have to get her out today.

Adrien:Why haven't you said this before?

Tikki:Because Plagg and I just found it.

Marinette:So what do we do?

Tikki:First off you two have to train,because we have no idea what's in there. Then Plagg and I found a way to make that exact same vortex,but can only hold it for ten minutes. If you can find her and get her out. We're golden.

Adrien:Anything to get her back.

Marinette:Why do we have to train? We're already superheroes.

Plagg:Tikki and I won't be able to go with you and help you transform.

Adrien:Why not?!

Plagg:Cause we have to create the vortex and keep it stable.

Tikki:But you'll only have 1 hour.

Marinette:Why only ten?

Tikki:Plagg can hold it for 45 minutes before he used up all his energy,and I can hold it for an hour before I use mine. But after 45 minutes the inside of the vortex will start to destroy it self and everything in it. So you'll have to try to get out of there in that period of time.

Marinette:So what would happen if we don't?

Plagg:You'll be trapped in there forever with no way to escape.

They both gasped.

Adrien:Since Tikki and Plagg can't come with us,we should make weapons just like our own.

Marinette:You're right.

Tikki:No need.

Adrien:Why not?

Her and Plagg foreheads lit up and Ladybug and Chat Noir's weapons came out.

Plagg:Beacuse we have 're right here.

They gave them the weapons.

Marinette:These should work just fine.

Adrien:I'm ready.

Marinette:Me too.

Tikki and Plagg spun around in a circle to create the vortex.

Adrien:Well,there's no going back now.

And with that,they stepped into the vortex.

Sorry for making this chapter so short,but it'll be worth it later. What will happen next?Keep reading to find out.

3. In the vortex

Inside the vortex was very weird. It had pictures of all the akumatized students in their class. (AN:This part contains spoilers. Don't read if you haven't watched all 26 episodes of Miraculous. But it's also your choice. Also these are not in order of which they occured.)

As they were walking down the long hall of the vortex,they were saying the names of their once akumatized classmates.

Marinette:Lady Wifi-Alya

Adrien:Bubbler-Nino

Marinette:Timebreaker-Alix

Adrien:Antibug-Chloe

Marinette:Dark Cupid-Kim

Adrien:Horrificator-Mylene

Marinette:Reflekta-Juleka

Adrien:Invisible One-Sabrina

Marinette:Gamer-Max

Adrien:Stone heart-Ivan

Marinette:Princess Fragrance-Rose

Adrien:Evillustrator. The worst of them all.

Marinette:Why? Because he had a crush on me?

Adrien:(under his breath)Maybe.

She chuckled. Just as they reached the end of the hallway,Marinette stepped on a booby-trap and under the picture of each villian,they appeared there in person.

Adrien:I'm not even in my cat suit and we have bad luck.

All the akumas started attacking at once and Marinette and Adrien fight for their lives. It was a tough battle,but they eventually got through it with the help of their imitations. They opened the door that was in front of them. And when they looked up,all they could see was stairs.

Adrien:Really? Really!

His voice echoed at the scream.

Marinette:Don't worry. This will be a breeze.

She pulled suction cups out of her back pocket.

Marinette:I brought 'em just in case.

Adrien:This is not how I imagined saving my mom would go.

Marinette:This is going to be paw-some.

She started climbing and he stared at her confusingly.

Adrien:When have you been into cat puns?

Marinette:Let's just say that I'm feline good today.

He chuckled and followed her. By time as they got to the top,they only had 30 minutes more to get Adrien's mother and get out of there.

Adrien:Finally,we made it to the top.

When they looked forward,they saw another hallway with a big wooden door with tiny bars at the end of it.

When they got there,Adrien could only smile at the familiar face.

Adrien:Mom?

The figure whipped around only to smile back at the other families face.(AN:Since I don't know the name of Adrien's mother,let's just call her Lily for now.)

Lily:Adrien!

Adrien:Don't worry mom,we'll soon get you out of here.

Lily:No,behind you!

It was too late though. Before he or Marinette could do or say anything, the figure knocked them out.

4. Let's go

Thank you all for all for those encouaging reviews.

Adrien woke up groaning,with Marinette on the side of him still unconscious. So he started to shake her.

Adrien:Mari. Mari. Mari wake up.

She slowly opened her eyes and also got up groaning.

Marinette:What happened?

Adrien:I don't know. But we only have 16 minutes to figure it out.

That's when he realized that they were in a cage. He walked up to the bars holding them

Adrien:How did we get in here?

Voice:I put you in here.

Marinette:Who are you?

She joined Adrien up to the bars.

Voice:I am Hawk Moth and I'm finally going to get your kwamis. (AN:I have no idea what the plural of kwami is it how to spell it.)

Marinette:Pfft. What are kwamis?

Adrien:Yeah. Never heard of 'em.

Hawk Moth:Oh cut the act. I know that you two are Ladybug and Cat Noir.

They both tended up.

Adrien:You can't prove anything.

He hesitated.

Hawk Moth:I bet I can. Only the kwamis of Ladybug and Cat Noir are powerful enough to enter the vortex. And since I can transport in and out of the vortex,when their weak,I'll just take them. You won't be able to stop me anyway.

Adrien:Yes we will! Somehow.

Hawk Moth:(chuckles)It's so funny that you think you could stop me.

Hawk Moth started to walk away. But then looked back.

Hawk Moth:Don't worry though I'll come back and visit. You may be useless Adrien,but you still mean a lot to me.

And with that he vanished.

Adrien:It can't be.

Marinette:Huh?

Adrien:After all this time.

Marinette:I'm not understanding.

Adrien:My father...is Hawk Moth.

Marinette:What?! How do you know?

Adrien:Didn't you hear him? I may be useless,but I'm still important to him.

Marinette:That may be true.

Adrien:Now all we have to do is take his miraculous.

Marinette:How do you know that he has a miraculous?

Adrien:Tikki and I hang out sometimes.

Marinette:Okay. But first we need to find a way out of this cage.

Adrien:Oh. I could do that. Cataclysm!

The power of destruction was in his bare hand. He slid his hand across the bars and they desintagrated.

Marinette:Where did you learn to do do that.?

Adrien:Plagg doesn't just complain.

They ran back to Adrien's mother cage.

Lily:Oh Adrien. You're okay.

Adrien:Yeah. But we need to get you out of here.

Marinette:We've only got 10 more minutes we're trapped and Hawk Moth could take our kwamis.

Lily:Use your Cataclysm.

Adrien:I can't. I already used it.

Lily:Well I guess it's time to show you the way of the cat.(I know it's stupid. Don't judge.) Focus on you using your Cataclysm. And only that. Then breathe in and out.

He did as he was told,and he power of destruction was once again in his bare hand. He once again slid his hand across the bars.

Lily:Good now we need to-

She was cut off by the sound of rumbling.

Adrien:Its happening.

Lily:What's happening?

Marinette:Plagg is weak and this place is collapsing. We've only got 5 minutes left.

Adrien:Before we're trapped in here forever.

That's the end of another amazing chapter. Gamer out.

End file.
